

# What to look for in Top Tech Sales Recruits

## A healthy competitive streak

This ensures your future hire is always striving to improve and go beyond sales targets.

## Problem solvers

A Tech Sales hire which approaches problems as unique opportunities with creative solutions are integral part of the business' growth.

## Pay attention to strategic networkers

The best Tech Sales recruits are the ones which plan in advance to counter any challenges that may arise and leave no stone unturned when it comes to networking for a sale opportunity.
